

Pseudo-nondiffracting beams generated by radial harmonic functions: erratum

Joseph Rosen, Boaz Salik, and Amnon Yariv

California Institute of Technology, m/s 128-95, Pasadena, California 91125

Equation (5) of Ref. 1 should read

$$g_p(r_i) = (r_i/a)^{(p-4)/2} \exp[j2\pi(r_i/b)^p], \quad p \geq 4. \quad (5)$$
