Bar-Ilan University, Israel

The AUT has noted:

- That Bar Ilan University supervises degree programmes at the College of Judea and Samaria in the illegal settlement of Ariel, near Nablus, in the occupied West Bank.
- That it is thus directly involved with the occupation of Palestinian territories contrary to United Nations resolutions.

Council resolves:

- To call on all AUT members to boycott Bar-Ilan University until it severs all academic links with the College of Judea and Samaria and with any other college located in an illegal settlement in the Occupied Territories.
- That the boycott should take the form described in the [Palestinian call for academic boycott](#) of Israeli institutions.
